#4-STATUS REPORT

Jean Lucht reported there was a meeting on March 16. Jean was unable to attend but received the reports via email. Jean stated the reports don't make any sense; she will write back to Dr. Eisner and ask for a hard copy that makes sense. Wednesday is National Diabetes Awareness Day. There is a cough/strep throat/flu-like illness going around the County. There are still many individuals in the County that are contracting influenza and the spring is generally when we see a spike in cases.

#5- PUBLIC COMMENT

Jean called for public comment. None offered.
